

Goal Set at \$1000 for Drive; 'Ugly Man' Contest Announced

"The goal for this year's United Good Neighbors drive has been set for \$1000," commented Jay Edwards, student body president. "We would probably be the first school in the nation ever to give this amount," he added.

Years' Donations Compared

Jay pointed out that only two years ago, a meager \$257 was collected, while last year's total rose to \$937. He explained that the UGN supports close to 70 different charity organizations.

This year's drive will be from Monday, Sept. 30 to Friday, Oct. 4, when the second annual powder puff football game will be held after school between junior and senior girls. Proceeds of the game will add to the UGN total. Last year's game, won by the class of 1964, accounted for \$169.

Jay said that registration room donations to be collected Tuesday, Oct. 1, and Wednesday, Oct. 2, should earn about half of the goal. Both the boys' and girls' leagues will also contribute.

'New Addition' Explained

A new addition to the drive will be the ugly man contest. Each class will be represented by a boy competing to make the ugliest face. Contestants include Chuck O'Rourke, senior; Jeff Kempe, junior; Scott Engel, sophomore, and Robby Phillips, freshman.

Their pictures will then be taped to jars and placed in center hall. The winner will be determined by the amount of money collected from each class and announced in an assembly.

Official Welcome Given New Girls

New girls were officially welcomed at a party given by the girls' league council Sept. 19 after school.

Purpose of the program was to make the new girls feel welcome and get acquainted with the girls' league and its opportunities.

Features of the program were a talk by girls' league president Stephanie Pulakis, entertainment, get-acquainted games and refreshments.

Entertainment, planned by Marilyn Rex, senior, included songs by the Choralettes, girls' choral group, short skits by Mary Cheney and Tommye Craner, seniors, and folk songs sung by Mary Ellen Ward, senior.

Get-acquainted games played an important part in acquainting the girls with each other and the council members.

The program concluded with refreshments arranged by Tommye Craner.

Generals Named as Semi-Finalists; Top Scholars of Nation Selected

NATIONAL MERIT SCHOLARS for 1963-64 are, first row, Jock Privnow, Margaret Benson and Michael Lamvick; second row, Bob Tarr Jr., Craig Venator and Gerald Schwarz.

Margaret Benson, Michael Lamvick, Jock Privnow, Gerald Schwarz, Robert Tarr Jr., and Craig Venator are the six seniors who have been named semi-finalists in the 1963-64 Merit scholarship competition.

Last March juniors in more than 16,500 high schools in the country took National Merit Scholarship Qualifying tests and this year there were 13,000 semi-finalists named. These students achieved the highest scores and have moved one step closer to winning a four-year Merit scholarship to the college of their choice.

Semi-Finalists Take Tests

To qualify for the grants, the semi-finalists substantiate their first test performances on a second examination, are endorsed by their schools and fulfill other routine requirements. Then the finalists are chosen.

To increase their opportunities to obtain financial assistance if they need it, a list of the semi-finalists is sent to all accredited colleges and universities and to other scholarship-granting agencies and financial aid sources.

Scholarships Sponsored

As finalists, students are eligible for scholarship awards sponsored by the Merit corporation and about 173 business corporations, foundations, colleges, unions, trusts, professional associations and individuals.

Other high scorers on the test will be announced in October. These students will receive letters of commendation.

Merit scholars will be announced April 23.
