

Fall Boys' League Appropriations Make Scholarship Funds Available

Scholarships are available through the boys' league this year, announced Jerry Kotsovos, fall boys' league president.

Two qualified boys will be selected to receive the \$100 grants. Criteria includes a 3.25 grade point average, as well as service to the school through athletics or some other extracurricular activity.

Initial selections will be made by the boys' league executive officers of both terms, along with Terry Vick, senior class president, and Richard Shimomura, junior class president. This committee will be advised by senior counselor James Buchanan.

Following this screening, competition will be narrowed down to six finalists. Thomas Plennett and Vern Lowery, boys' league advisers, James Schell, activities director, and Gust Kanas, boys' vice-

principal, will make these selections. The scholarship recipients will then be selected by a scholarship committee composed of faculty, administrators and counselors.

Rick Pade, fall boys' league president of 1962, originated the idea of a scholarship fund being raised by the boys' league. There was not enough money raised last year to make a presentation, according to Mr. Schell. This fall, however, the fund was filled, and Jerry presented the committee with two \$100 scholarships.

Department Issues Arithmetic Exams

"The purpose of the National Office Management association tests is to evaluate the student's ability to maintain an efficiency in performing basic arithmetic computations," explained Cecil Jenkins, mathematics coordinator.

NOMA tests were issued today to all students presently enrolled in mathematic courses. These examinations are annually administered by the math department.

Mr. Jenkins added that students receiving a perfect score will receive a certificate from NOMA later in the year.

Juniors Set Date, Plan Class Week

Because they intend to raise money for their prom, sales will dominate the juniors' week scheduled for February 17 to 22, according to Richard Shimomura, class president.

"However, we have planned a sundae party for juniors only, to be held after school, Friday, February 22," he explained.

Plans for the first of the class weeks are being made by the junior class council. Committees are headed by the class officers and manned by volunteers.

Committee members were taken from the names on a sign-up sheet which was posted earlier in the year. "All students who wished to work on any junior class function throughout the year could sign up," explained Richard. "Since so many signed, it was easy to make up the committees."

Chairmen and committees include John Reese and Karen Hatchard, sales; Linda Bennett, publicity, and Jean Engdahl, decorations.

Linda is helped with publicity by the newly appointed "Junior G-Men." This liaison is comparable to the seniors' "back-scratchers."

"We borrowed the seniors' idea to have responsible students appointed to inform their registration rooms of our activities," he said.

Shakespeare Class to Present Variety of Moods in Assembly

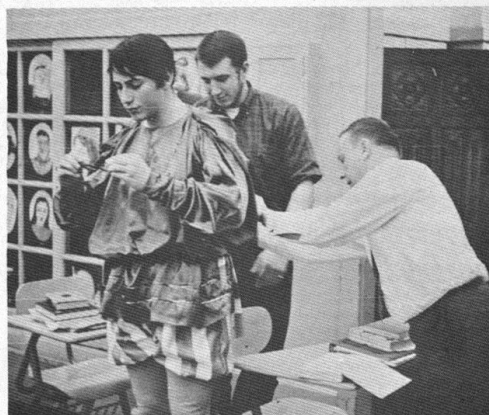

"The Many Moods of William Shakespeare" is the unofficial theme of the assembly to be presented February 13 by the Shakespeare class under the direction of Gerald Merryman.

"We are hoping to produce something special this year in recognition of the four hundredth anniversary of William Shakespeare," said Mr. Merryman. "Although the official date is April 23, we are

"No scenery will be used because it could detract from Shakespeare's lines. The main idea of the assembly is to put across the beauty of his language and not necessarily the plot."

Variety of Mood Shown

Several short selections from plays showing Shakespeare's versatility and variety of mood will be presented. The class will present serious, comical and tragic scenes as well as famous soliloquies.

"Because we only have one class of 21 people, we cannot produce a complete play," stated Mr. Merryman. "It takes many more for a full production."

William Shakespeare is considered by many critics to be the greatest English writer that lived.

College Board Gives Supplementary Exams

Because of the increased emphasis on conversation and speaking, the College Entrance Examination board has developed listening tests which were given in four languages Tuesday.

Only four years old, the tests measure a student's ability to hear and understand the spoken language. The basic language achievement tests specifically measure reading and writing ability.

Greater numbers of colleges are asking for the listening tests as well as achievement tests to learn the ability of students in all phases of the language.

German, French, Spanish and Russian are the languages in which the test was given. The scores will be separate from the achievement test scores and sent to the colleges without charge, if the student has taken or plans to take the achievement tests.

Cagers to Host Lincoln Cards; To Meet Demo Hoopsters Next

With Portland Interscholastic league basketball action proceeding into the second round at full speed, the Generals will meet the latest title hopefuls, the Lincoln Cardinals, tonight in the new gym. On the strength of their 51-43 win over Washington, the Cards figure to challenge any thoughts of state competition that the G-men might entertain. On Tuesday, the Gen-

Team Captures 2nd; Sets Pace in Relay

After setting the pace in the 2-mile relay at the Oregon Invitational track meet in the Memorial Coliseum, Coach Mark Cotton's group was nosed out by North Eugene and finished second. Terry Rawlins nabbed fifth place in the 60-yard hurdles.

The relay team consisted of Terry Schukart, Mike Davis, Lane Watson and Hal Jackson. Their time was 8 minutes, 14.4 seconds, which is 5 seconds under last year's record time set by North Salem.

erals will play host to Jack Riley's Jefferson Demos.

IN THEIR last meeting early in the season, Coach Ed Rooney's cagers methodically controlled the game under the boards and beat Lincoln 60-52. However, if improvement has any significance, the Cards may pose a real threat as they have since displayed scoring potency and a good zone defense.

Jefferson finished the first round in a fourth-place tie with Lincoln, both clubs having won 6 and lost 4. Grant dropped the Demos 65-68 in the teams' first clash.

LINCOLN'S SCOTT Cress, who averaged 16.1 points a game in the first round, is the team's number one scorer. The 6-1 senior is deadly from nearly any spot on the floor.

Relying on a balanced scoring attack and a fast break, Jefferson can boast a consistent scorer in Lionel Coleman. Coleman, who earned all-city recognition last year along with teammates Les Pete and Clarence Johnson, averaged 15.8 points per game in the first half.

ALTHOUGH rebounding power has not been Lincoln's long suit, 6-4 sophomore Bill Palmer is their top board man. Maury Holman, at 6-4, is also available to beef up the Cards' board strength.

Generals Sam Bryant and Deron McCoy will have their hands full Tuesday as 6-5 center Clarence Johnson along with Gene Lewis and Freddy Carter, both 6-2, are Jeff's talented board men.

Varsity, Freshmen Wrestlers Defeated; JV Grapplers Win

Victories and defeats spelled the story for the varsity and frosh wrestlers during the past 2 weeks while the JV's were undefeated.

The Generals downed Benson 26-22 on January 21, suffered a 38-13 loss to Cleveland 3 days later, and handed Franklin a 27-19 setback on February 1. Key wrestlers in the Franklin match were Nick Christmas at 105 pounds, Tony Dyer at 136 pounds, Dennis Colvin at 141 pounds, Jon Walters at 148 pounds, Junior Johnson at 156 pounds, Tony Campbell at 178 pounds, and Gordon Bailey in the heavyweight class.

The Sergeants devastated Benson 36-8, defeated Cleveland 29-21, and smashed Franklin 37-14. Leading wrestlers in the Franklin meet were Ron Baugh at 106 pounds, Doug Jackson at 136 pounds, Bill Lindstedt at 141 pounds, Joe Pelz at 148 pounds, Jim Kingwell at 157 pounds, Jack Grohs at 168 pounds, Ron West at 178 pounds, Art Nelson at 191 pounds, and Les Feinberg in the heavyweights.

Shrine Squad Named; Buckiewicz to Coach

Frank Buckiewicz was named as one of the coaches for the Metro football squad which will play the State all-stars on August 8. Seven players were also named to the team at a coaches' meeting at the Multnomah athletic club Saturday.

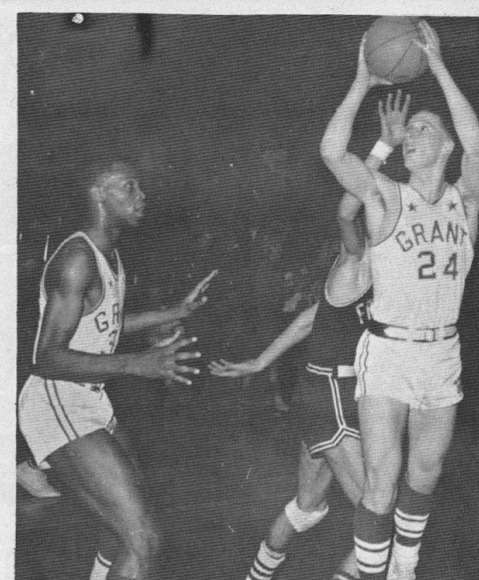

These players include tackle Gordon Bailey, guard Chuck O'Rourke, halfback Scott Davis and fullback Mike Smith.

JV's Nip Franklin

Junior Varsity, Frosh Blast Teds

Both Junior Varsity and Frosh basketball teams disposed of Roosevelt foes last Friday by scores of 66-37 and 42-34, respectively. The JV's nosed out Franklin 48-46 in the closing seconds of a game January 28.

Hoping to catch the Sergeants off guard, the Teddie JV's used a 2-3 zone defense the entire game. However, the Sergeants prevailed by rolling up a 17-8 first quarter

Generals Pin Defeat on Roughriders As Balanced Scoring Highlights Win

Displaying an unrelenting offensive onslaught with 12 G-men hitting the scoring column, the Generals pinned a 72-40 loss on Roosevelt.

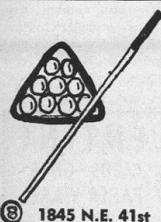

Despite its lopsided score, the game had a precarious beginning for the Generals with Roosevelt

matching the G-men bucket for bucket during the opening minutes. Dave Johnson kept up the scoring pace for the Roughriders and at the end of the first period, the Teds trailed by only 4 points.

Plagued by an array of missed shots and Roosevelt's tight zone defense, the Generals could not manufacture a convincing lead. However, midway into the second stanza, Jay Edwards bagged a jump shot from 30 feet out, and the G-men proceeded to turn it into a rout. The score at halftime was Grant 30, Roosevelt 16.

Going into the third quarter, Teddie fans had little to cheer about as the G-men mounted an 18-point scoring attack and stretched their lead to 26 points at the end of the period.

Jim Lawson led the Generals' scoring with 17 points.
